

## **AGM INVITATION – 16 May 2024**

### **Venue, Langstone Sailing Club**

Dear Member,

Langstone Residents' Association will hold its **Annual General Meeting** on 16 May 2024 at Langstone Sailing Club starting at 7:30pm. You are invited to attend. The doors will be open from 7:00pm.

After the formal business of the Meeting is completed, there will be an open discussion about the future direction of the Association. Kindly give this some thought to this and either attend in person or forward your thoughts to the Secretary.

Society has changed significantly since the LRA was first established, perhaps 40 years or so ago, and it seems an opportune moment to **review our aims and purpose** which are stated as “to maintain and improve the local amenities...” Is that an appropriate objective in the modern world and how do we go about trying to achieve those goals most effectively in 2024?

One of the formal items on the agenda is the Election of a Committee and Officers. I have resigned as Chairman and the Secretary has also submitted his resignation, but the other existing committee members have indicated their willingness to serve for another year. May I urge you to think about volunteering

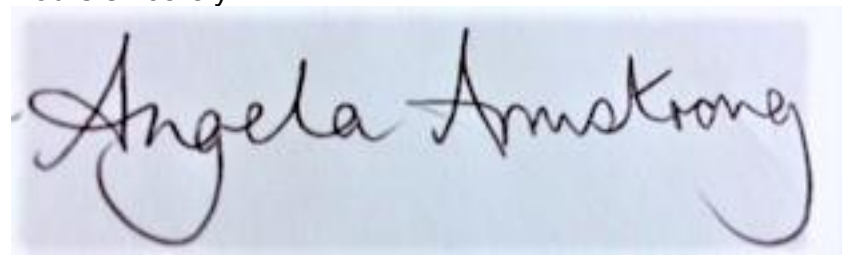

as a committee member or perhaps put your name forward for one of the vacant Officer posts. A Nomination Form is attached to this Notice. We propose a simplified management structure, fewer committee meetings and less formality, relying on reports from individual members with expertise and interest in certain areas. This will be explained in more detail at the meeting. If you feel you could contribute some time, or just enthusiasm, please come forward.

As usual, our local Ward Councillors have been invited to this AGM and will be available to update us on current Borough activities as they may impact on Langstone. To assist them it would be helpful if you could give notice of any issue you wish to raise with the Councillors, or under the "Any Other Notified Business" item. Notice is important to allow subjects to be researched ensuring meaningful answers are given.

Langstone Sailing Club has car parking available and will open its doors from 7:00pm when the bar will also be open. The meeting should conclude by 9:30pm although that is not a fixed time.

The LRA Committee look forward to welcoming everyone that evening.

Yours sincerely
