

LANGSTONE

RESIDENTS' ASSOCIATION

Invitation to join the LRA 2025-26

Langstone Residents' Association keeps a watching brief on matters that affect Langstone and alerts you to them. We currently have a membership of around 300 households and our aim is to defend and enhance the area in which we live.

There are several ongoing issues which include:-

- Coastal Defence proposals
- Southern Water proposals / Havant Thicket Reservoir
- Restoration of the coastal path,
- Partnership for Clean Harbours
- Traffic issues etc.

The LRA Committee meets monthly and we maintain links with other local Associations. Subscribers receive information and updates of interest by e mail along with news of Langstone Good Neighbours Network and other local events.

At the May 2025 AGM it was agreed to raise the annual subscription fee to £5 per household. This is necessary because of increased operational costs and the fact the fee has remained unchanged for many years.

If you wish to subscribe to the LRA please pay your £5 subscription fee on line.
